

Event Information

Location

The event will take place in the Engineering Auditorium on the San Jose State University campus (Engineering Building 189). The building is located at San Fernando and 7th Street. Visit <http://www.sjsu.edu/map> if you need directions.

Arrival

Plan on arriving on campus around 9:00am. We will have coffee and tea outside of the auditorium and will get started with the program at 10:00am.

Parking

The closest parking structure is the 10th Street Garage (10th St. and San Fernando). You can purchase a full day permit for \$5 from the kiosks in the parking structure.

Reception

Following the event, please join us for drinks and socializing at Clubhouse Restaurant & Sports Lounge, located downtown at 150 S. 2nd Street, San Jose, CA 95113.

Additional Reminders

- Alumni: We would love for all alumni attendees to participate in an "Alumni Panel" at the end of the day to provide answers to current students. Please come prepared with some pieces of wisdom you would like to pass on to current students and new graduates.
- Students: Bring questions! This is a perfect opportunity for you to learn from those who have been in your position.
- Please contact ec@sjsuhfes.com if you have any questions.
